

Prayer Of Blessing

Words and music by Nicole Oliver.

Verse 1

May the Lord be your passion
May you live for His Son
May your thoughts rest upon Him
May your heart beat as one
May your days give Him pleasure
May your joy be to serve
May you seek first His Kingdom
May your words bring heaven to earth

Verse 2

May His peace guard your being
May His fire warm your heart
May His light shine upon you
When your journey is dark
May His strength be uplifting
May your wisdom be clear
May His feet walk beside you
May His voice be all that you hear

Verse 3

May His angels protect you
May His hands guard your life
May you stand in temptation
May you speak for what's right
May you walk in conviction
When no other stands firm
May your spirit be humble
May your soul be willing to learn

Verse 4

May you dance to the rhythm
Of a heavenly drum
May your voice join the praises
Crying out round His throne
May your eyes look to heaven
When your spirit is low
May you yield to His leading
May His power carry you home
